

Dear Parents/Carers,

What a busy few weeks we have had in school with so many opportunities for children to learn together! We were so proud of all the children who took part in the Small School Athletics competition, coming third overall. Staff commented on the superb behaviour of children at Young Voices and I have enjoyed hearing all about the evening from children, staff and families. Today our football team are competing in a tournament at AFC having practised hard after school.

It was lovely to speak to so many parents at parents' evenings and phonics and reading meetings. I hope that you found these meetings beneficial. As always, if you have any questions, queries or comments, please do get in touch.

Next week is our last week of the half term before our break. It is going to be another busy week too!

On Wednesday we will be marking Safer Internet Day in school. Children will be celebrating and learning based around the theme 'Want to talk about it? Making space for conversations about life online'. We are celebrating by putting children and young people's voices at the heart of the day and encouraging them to shape the online safety support that they receive.

On Thursday we will be celebrating Children's Mental Health Week. This year's theme is 'Let's Connect'. We will be all taking part in activities designed to encourage children (and adults) to consider how we can make meaningful connections that support our mental health. Children are invited to wear their own clothes as a way to express themselves and donate to support mental health initiatives in school. Donations can be made on School Spider.

On Friday Oak class are completing a 'Penguin Waddle' to raise money to adopt a penguin, inspired by their work in Geography, Science and English.

Please remember that from 17th February we will no longer be using School Money or Parent App. Please log in to School Money and bring accounts up to date and any credits will be transferred across to School Spider by 20th February 2023. These systems have been replaced by School Spider. Please ensure you are using the app and can access your account. Along with the app for messaging, forms and payments, School Spider are currently designing our new website. This is due to go live after half term.

Finally, our current programme of Extra Curricular Clubs will end on Friday 10th February. A new programme will be sent out next week to start with effect from Monday 27th February. You will be notified via School Spider when these are open and ready to book.

I Am Mighty Awards have been presented to the following children:

W/c 23th Jan

Reception	Amber
Year 1	Isla
Year 2	Noah
Year 3	Alice
Year 4	Amara
