Treales Church of England Primary School

Equipped by God, we are mighty

SATS are coming up for year 6. We are working hard learning how to use a protractor and revising circles and properties of shape. We have been reading poems and practising our comprehension skills. It's all going well, and we are seeing the success of our hard work.

Today Nathan got full marks on an arithmetic test and our successes are pushing us on to do even better. We are also preparing for high school with daily learning tasks to complete using our Pupil School Spider system.

It's not all SATS work though - there's a lot to look forward to and lots that we are enjoying already. The juniors have spent two days concentrating on their art skills and developing a painting over time. AFC Fylde and Fylde Rugby are getting involved in our PE and After School clubs and we are working on our sportsmanship in preparation for school events like sports day and our health week and residential to Borwick Hall in June.

It has been great to come back to school and see our new area at the back of school. We have been using this for worship, play, lessons and much more. Year 5 are spending a few days learning how to stay safe when we are cycling on the roads, completing their bikeability.

If you have passed by school you might have noticed the cones on the playground - we are always looking for ways to improve playtimes and the children commented that they would like more to do as well as football. We've zoned our playground and enhanced the activities and this has been a hit with the children. Nathan says 'It's good that we all have space to play and there are different activities to keep us busy and having fun. The designated areas are keeping everyone safe'. Ruby commented, 'The quiet areas are great when you just need a rest or want to read or draw.'

We also have a visit planned to Fleetwood Museum and visitors to come to school to share their other faiths with us and for us to share our Christian faith with them.

To celebrate the King's Coronation, on Friday 5th May, we are celebrating with an open afternoon for parents and other family members to share coronation themed activities with the children and plant trees to mark the occasion.

Thank you

After twenty four years, I have decided to step down as your Fylde Borough Councillor for Newton and Treales Ward.

I was elected in 1999, and over the years have sat on many committees. I have been a member of development control (planning) all my time at Fylde, which I will miss, but know I have done my best always for the communities I represent.

In my time as Borough Councillor, I have managed many things: In Bloom for the parish, Speed reductions through the hamlets, working with LCC Highways, Enforcement, the Environment and the Police.

I've helped many individuals with problems, some personal, financial or housing matters. Having patience and time to listen, is so important.

I was fortunate to have been elected as the Mayor of Fylde in 2012/13, meeting her majesty Queen Elizabeth and Prince Philip and attending approximately 210 engagements.

With Frank as my consort, and Jen Robinson my Mayoress, we had a wonderful year, raising over £20,000 which was given to Fylde Sharks, swimming for disabled children, Prostate Cancer scanner Blackpool Victoria, and providing 11 defibrillators throughout the Borough.

Two defibrillators are in this parish, Treales school and the phone box in Treales. I do know that at least eight lives have been saved by these defibrillators in Fylde.

None of which would of been possible without the wonderful support of my family, friends and the community. It has been a privilege to represent this area.

Thank you also to Councillor Peter Collins who was my deputy Mayor, and excellent fellow Ward Councillor.

I wish the next Borough Councillor well.

Thank you all

LETTER FOR MAY 2023

Dear All,

Mary said, 'I have seen the Lord.'

These words form the basis of our faith and hope as we follow the Lord Jesus. The same Christian message has been undimmed over 2000 years as the Lord has appeared to followers by dreams or visions through the generations. But the Lord also says,

'Blessed are those who haven't seen and yet believe.

And so the Easter message is once again proclaimed,

'He is Risen Indeed. Alleluia.'

This is the message for our everyday life, and continues to be especially celebrated in the Church throughout the period from Easter to Pentecost on the 50th day, including Ascension Day on the 40th Day.

Ascension Day, 18th May, is one of those glorious opportunities to worship as Jesus ascended back into glory, where He is seated at the right hand of the Father. Only then can the Holy Spirit be poured upon His followers so that they too are equipped to serve God's Kingdom and be His witnesses here on earth.

Pentecost Sunday, 28th May, will be celebrated at 11am in Treales Church. On this day, the disciples were baptized with the Holy Spirit – flooded with the Spirit and with tongues of fire, equipping the disciples to out into the world and tell the world the good news of Jesus.

On Sunday May 7th we celebrate the Coronation of King Charles III with a special service of Holy Communion and celebration hymns with a community picnic afterwards. Everyone is very welcome.

And we look forward to the Coronation on Saturday 6th May.

Thank you to everyone for making the church a special place this Easter. A big thank you to the school for their prayer stations and Mrs Hill for organizing them. The children made reflective, meaningful stations which challenged us to grow in the meaning of Easter. Thank you also for everyone contributing to the beautiful flowers and refreshments and celebrating Easter with us.

We haven't had any further communications about a vicar for the church but at the last visit of Archdeacon David he did give cause for optimism. We have in the meantime an enthusiastic team, so thank you to everyone

for their contributions.

If anyone wishes to arrange a Baptism, Wedding etc., please contact the churchwardens: Pat on 690545 or me on 690023.

Thank you to everyone for your continued support.

Love and Prayers,

Janet Roberts

THY KINGDOM COME

Canterbury and York to the Church of England has grown into an international and ecumenical call to prayer.

is a global
movement that
around the world to
people to come to
started in 2016 as
the Archbishops of

The movement unites more than a million Christians in prayer, in nearly 90% of countries worldwide, across 85 different denominations and traditions- so that friends and family, neighbours and colleagues might come to faith in Jesus Christ.

Every person, household and church are encouraged to pray during the 11 days, between Ascension day (Thursday 18 May) and Pentecost (Sunday 28 May) that God's Spirit might work in the lives of 5 people who have not responded with their 'Yes' to God's call. (Resources can be found in the church porch when they become available.)

It is our hope & prayer, that those who have not yet heard the Good News of Jesus Christ and His love for the world, will hear it for themselves and respond and follow Him.

Bless our Sovereign Lord, King Charles,
And all who are in authority under him;
That they may order all things

To the honour of your name,
And the good of your Church and people;
Through Jesus Christ our Lord.
Amen
