BUSY WEEK LEARNING

It's been a busy week in school. Lots of learning for everyone including the staff! On Thursday Mrs Hill and Mrs Harling went on training so Miss Suffolk was supported by some of our children, working the office. They did a brilliant job of organising visitors (telling them they are the stand in head teacher!) and completing lots of their own learning. Mrs Hill watch out!!!

Clubs started this week. Speedstacking was lots of fun on Thursday evening.

ELDER CLASS SCIENCE

Elder class have been learning all about space. They have been looking at the size and distance away the planets are through modelling clay and drawing.
