

# Treales CE Primary School

Equipped by God; We are Mighty

Newsletter Issue 20

On Monday Y4, 5 and 6 participated in the Cyber Fairy Tales challenge. The session helped them to develop their STEM skills as well as covering topics like staying safe online, passwords and encryption codes, spam and hacking and computer science careers.

Imogen and Bruce said:

'There were briefcases that you had to unlock using codes. You got the codes by using clues to find the combinations to undo the two locks.

We were undercover agents and had to stop Team Witch to save Hansel and Gretel.

There were four teams - inside the big briefcase there were smaller cases that you had to unlock. We collected jigsaw pieces to help to find where Hansel and Gretel were to find Witch HQ.

It was really fun and exciting - and sometimes a little stressful as we wanted to beat the other teams. The winning team got a certificate. The winning team was the team with the most points - even though they took the longest to complete the challenges.

Thank you to Mhairi and her colleagues for organising this super opportunity.
