Mondays	3-3.30	School Service

**Thursday
9 May**

12 noon

Ascension day

Treales Church of England Primary School

Equipped by God, we are mighty

As we head into summer, school becomes even busier than normal. Our Year 6 children are working hard to prepare for their SATS in a few weeks. We are so proud of their determination and perseverance. Other year groups are also preparing for statutory assessments as well as continuing to learn through our exciting curriculum.

This term children will be taking part in many sporting opportunities. The first of these was a hockey festival at Mill Farm. Eight Year 3 and 4 children represented Willow class, completing various skills and drills before playing some friendly games. Treales scored the most points throughout the festival, taking first place! We are looking forward to cricket, rounders, striking and fielding, tennis and football events too... and don't forget our annual sports day on the parish field!

The parish field will be home to some new posters commissioned by the Parish Council, design by some of the children from school. We loved seeing the designs made into poster boards and can't wait to see them on the field, reminding everyone how to keep it clean and safe for us all to use.

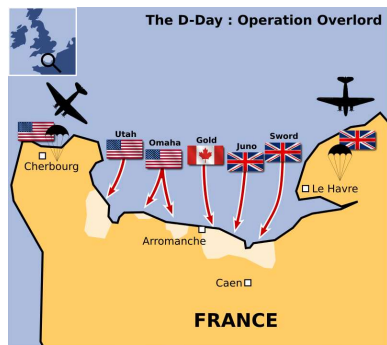

We have so many other opportunities planned this term - an end of year production, D- Day and Kirkham Club Day celebrations, awards evenings, special lunches, a career fair to name a few! We are also looking forward to welcoming new children and families to our school. Our new reception starters will be coming in to get to know their class and teachers as well as our Year 6 visiting their new high schools. We welcomed children to our Explorers pre-school group last week too. If anyone would like more information about our Explorers group for 3 and 4 year olds or a place in our school, do contact us and arrange a visit. We would love to meet you!

Details to follow in next issue

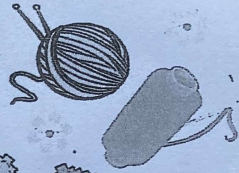

"Four years ago, our nation and empire stood alone against an overwhelming enemy, with our backs to the wall. Now once more a supreme test has to be faced. This time the challenge is not to fight to survive but to fight to win the final victory for the good cause. At this historic moment, surely not one of us is too busy, too young, or too old to play a part in a nation-wide, perchance a worldwide, vigil of prayer as the great Crusade sets forth." — King George VI in a radio address on June 6, 1944

LETTER FOR MAY

Dear Friends,

During the month of May we shall be celebrating the ancient feast day of Pentecost. Many of you, like me, will have grown up knowing it as Whit Sunday. (So-called after the white robes worn by those newly baptised at Pentecost.) It was a day of religious processions - The Whit Walks - fairgrounds, and the day I got to wear my new Summer sandals for the first time each year.

Pentecost always comes on a Sunday. Unlike Christmas and Easter this day passes with such little fanfare that, unless you are a churchgoer, there is a good chance you will not even notice it.

You will probably know Pentecost as a celebration of the day when the Holy Spirit of God came down to the followers of Jesus. This is the day that the church, the "called-out ones" of God, was born. On that day, the Spirit of God descended on the 120 followers of Jesus and they started speaking out loud in languages from around the world. This created such a commotion that thousands who were in Jerusalem at the time came to see what was happening, and in front of the gathering crowd, Peter spoke the first gospel message and 'three thousand were added to their number that day'. That's a remarkable testimony to the power of the Holy Spirit. Twenty-five times as many people became followers of Jesus on that single day than had 'joined up' during his entire ministry on earth.

Pentecost is therefore a timely annual reminder to us that the Holy Spirit is not a lesser member of the Trinity, in some way inferior to the Father and the Son, but is the powerful manifestation of God's presence amongst us. The Holy Spirit, leads, teaches, informs and empowers us, so let us thank God that consumerism and the retail trade has not kidnapped this sacred and important day in the way it has with Christmas and Easter, and let us rejoice in the power of God made manifest within us.

Happy Pentecost,

Love and blessings,

Terry.

PARISH COUNCIL NEWS

LCC ROAD TRAFFIC CLOSURES

BLUE MOOR - motorway bridge repairs to be carried out by National Highways closed until Friday 14th June.

MOORSIDE - cable renewal by Electricity NW closed until 17th May 2024.

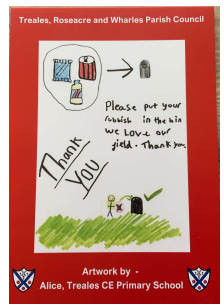

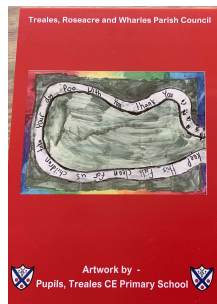

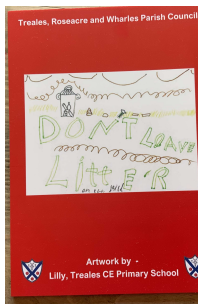

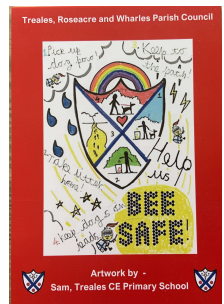

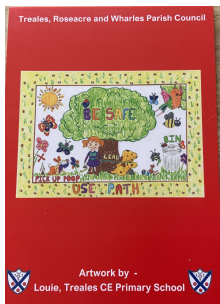

ROSEACRE ROAD - pole replacement by BT Openreach closed 30th April 2024.

Full details are available on the Parish Council website: trw-parishcouncil.org.uk

PARISH FIELD

The council asked Treales School if the children could design some posters. Cllr Broughton arranged for them all to be printed and we are absolutely delighted with the results. Please look out for them when you visit the field.

This is a preview of the posters:

A grant from Fylde Borough Council has been applied for and funds received which will cover the cost of both the signs and much needed new gate.

OPEN SPACES

We hope you all enjoyed the crocus and tulip bulbs which were planted last Nov/Dec. They should increase in number and flower every year from now on.

Fylde Borough Council offered our Parish eight new trees. We requested ones that will provide autumn colour and they have now been planted by Cllr Salisbury.

OFFSHORE WIND FARM (MORECAMBE AND MORGAN) TRANSMISSION ASSETS

The proposed route for bringing the electricity ashore en route to Penwortham has far reaching consequences for rural Fylde.

Our roads will certainly be affected should this go ahead so it will impact on us all.

Cllr Smith has contributed to and attended many meetings on our behalf and will be able to answer any queries you may have.

D-DAY 80 YEARS

The council supports the newly formed Parish Social Committee and hopes that you are able to join in the commemoration as a way of showing our gratitude and appreciation to all who took part in the planning and execution of the D-Day landings.

Full details as below.

<https://www.d-day80beacons.co.uk/> and trw-parishcouncil.org.uk

Request for photographs please

We would be very grateful if you could send any pictures that you have taken throughout the Parish to the Clerk at the following address: parishclerk@trw-parishcouncil.org.uk

ANNUAL PARISH COUNCIL MEETING

The next meeting will be on: **Tuesday 7th May 2024 7pm**

at the Boys Brigade, Treales.

Everyone welcome

SOW AND GROW GROUP

Spring is here and the Parish is starting to burst with life and colour! The crocus, tulips, snakes head fritillaries and miniature daffodil bulbs planted last winter have looked amazing and have complemented the snowdrops, celandines, daffodils, bluebells, that are springing up everywhere often earlier than expected. They should naturalise well in the grass and increase year on year.

We would really like to increase snowdrops and bluebells (just the English ones please) throughout the Parish. If you have any you can spare and donate to the Parish please contact Jane asap as they are most successful if replanted "in the green" with leaves still on.

We have 8 new trees in the Parish thanks to Fylde Council; these are a mix of Copper Beech, Mountain Ash, Accers Autumn Blaze and Himalayan Birch and will provide beautiful colour in the autumn. Thanks to Will Salisbury for planting them.

Several of you have been growing perennials from seed and we hope to have summer colour in the grass verges and open spaces. Again we have opted for sustainability and wild flowers such as oxeye daisies, musk mallow, aquilegia, foxgloves as well as cornflowers and poppies. Would you please let Jane know how you have got on with your seedlings.

We are also experimenting with wild flower sowing and hope to replace the bedding plants in the centre of Treales with a wild flower border.

The Parish Council won't be cutting the grass of the open spaces until early June to allow the bulbs to thrive and we would encourage everyone to resist getting the mower out too soon or at least leaving strips of grass unmown to encourage our wonderful wildlife to flourish.

Thank you to everyone who has helped with planting bulbs and sowing seeds and litter picking, the Parish is looking really lovely. The move to sustainable, affordable planting and the re-wilding of the Parish open spaces is still in its early stages and is a lot of trial and error. It will be a couple of years before we will have all the open spaces planted with perennials that have colour and interest throughout the seasons.

We would really welcome help and advice and suggestions from you all on how we can best achieve this.

Thank you from the Sow and Grow Group
