

# CHILDREN'S SAFEGUARDING POLICY

## What is safeguarding about?

At Treales CE Primary School, all of the adults around you think that your health, safety and welfare are very important. In our school we respect our children and want to keep you safe and help to protect your rights. We do our best to help you to make good progress in your schoolwork and to be happy. We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

Equipped by God; We are Mighty!

### If you need to talk - we will listen!

If you need to talk – we will listen!  
You can talk to any adult in school.  
Put something in the worry box.  
Tell a friend and then go with your friend to tell an adult.  
It is Mrs Hill and Mrs Hetherington's special job to keep you safe - talk to them if you are worried.

### What is bullying?

"Bullying is when someone says unkind things or won't play with you over and over again."  
"Bullying is when somebody hurts you on purpose".  
"Bullying includes actions such as making threats, spreading rumours, attacking someone physically or verbally, and leaving someone out from a group on purpose".

### How will we try to protect you?

We will LISTEN!  
We think it is important for you to know where to get help if you are worried or unhappy about something.  
We will provide a safe environment for you to learn in.  
We want to ensure that you remain safe, at home as well as at school.

In our school a bully is someone who hurts someone more than once, deliberately using behaviour which is meant to hurt, frighten or upset another person.

Trying to give you tablets, cigarettes, drugs or alcohol.
