

CHILDREN'S ONLINE SAFETY POLICY

What is online safety about?

At Treales CE Primary School, we want to help you and teach you how to stay safe online.

There are four areas of online safety that we will learn about called the 4 C's.

Equipped by God; We are Mighty!

Treales CE Primary School

Content

This area is all about what you post online and what you look at online.

Is it appropriate for your age?

Contact

This area is all about who you are speaking to online.

Do you know them?

Conduct

This area is all about how you act online and how other people act towards you.

Are you being kind and respectful?
Are they?

Commerce

This area is about being tricked online to either buy things, gamble or trick websites where they get your money.

Is it genuine and does an adult approve?

If something comes up on your device that you don't think you should see, ALWAYS tell a trusted adult, at home or in school, so they can help you.

Use an avatar rather than a picture of yourself

Only say or type things that are respectful

Only search appropriate things. We monitor everything that happens on line - Be sensible!

Talk to any adult if you are worried - we will always listen

Staying safe online

Keep your passwords and usernames a secret

Look after school equipment

Report it on the website or ask an adult how to
